LISA
NELLS

I just hate a dirty kitchen, but I love dirty men. I think about all the work it takes to wash the dishes, clean the oven and get on my hands and knees to be sure my floor tiles shine. It's the same attention I like to pay to my man, especially the get on my hands and knees part.

What you see here is a recreation of what I was doing less than a month ago, except for the dildo part. It was over 90 degrees outside and even hotter in the house when I was cleaning the kitchen. I got so hot and sweaty that I had to take my clothes off to finish. Then my man came home, saw me on my knees and rubber gloves cleaning the floor and he dropped all his clothes and within a minute her was fucking me doggy style. Now I always clean the house naked.

**Bonny
& SABBY**

How am I doing right now? I'm anxious because Sabby's on his way and I'm a little nervous because I promised him last night he could fuck me in the ass. Why would I say that? Two reasons: The wine was talking, and I was feeling pretty horny last night. My ass is ready, is your camera?

So, Sabby shows up and he's raring to go. I get myself warmed up by giving him a blow job and diddling myself. Then I was ready, and he was too. My mouth is done with his cock and, even though my pussy wants it, Sabby goes right for my asshole. I must say, the man does have focus. So, since you've cum this far, and I hope you've cum, I hope that you enjoyed my hot, all-anal pictorial.

MORE THAN DELIVERIES

I moonlight delivering pizzas in town to make a little more money flowers to help pay the bills. So I'm working on Friday night and the manager gives me my final bouquets for delivery. I recognize the first order, Mr. Johnson. He's a regular that orders roses with a nice card for his mistress every time, but he's not much of a tipper. The second was your standard white lillies for an upcoming funeral. Again, not much of a tip but understandable.

The final order was a new address I had not delivered to before. When I arrived, I rang the bell and this stunning young thing answered the door in one of those halter tops and a bikini bottom. As I handed her the slip to sign a charge, she looked at the front of my shirt and read softly "It's Down the Drain."

"What's down the drain?" she asks. "Oh, is your father a plumber?" I just looked up at her, too shy to say anything to this fox. I said, "Well, no, that's me." She chuckled.

"Really?" I replied back. "Oh great, I need someone to look at my shower. Are you expensive?" she asked.

"Well that depends on the job, a shower, depends on if I have to replace anything." I said. Then she asked if I could take a moment and look at it with her. I said OK and she invited me in and said her boyfriend is not the handiest man but he has other qualities.

She invited me in and showed me to her bathroom. She explained that sometimes it works, and sometimes it doesn't. I said let's take a look and she went over to the faucet and turned it on, then pulled the plunger to activate the shower. Sure enough nothing. She said now, watch

this, she turned everything off, then repeated the steps. This time it came on but shot off to the left, soaking her. I started to laugh, she said "Oh that's funny is it?" I said it was and she looked at herself and started to laugh, too.

I told her I thought I knew what the problem was and asked if she had a rag and a straight pin or needle. She said she'd be right back and went and got the things I asked for. I took off the head and looked at the valve inside. It was clogged with calcium deposits and hard water build up. I started to push the pin through the holes of the head and soon I had the thing cleaned out.

I reassembled the parts and tested it. Sure enough, it worked like a charm. She jumped up and down, causing her boobs to fall out of the skimpy halter. I just stood there looking. Oblivious to her exposure, she said it hadn't worked that good since she moved in a year ago. I gave her a name of a product to use, explaining that it was the calcium build up causing the problem. She thanked me as she noticed me looking at her chest. "Oh my God!" she exclaimed as she became aware of her wardrobe malfunction.

I smiled and told her that she'd already paid me. "I did?" she said, adjusting her boobs back into place inside the halter. I said "Yes, when you jumped up and down." She blushed and said she still owed me something for my labor. With that, she pulled the top off her chest and over her head, again revealing those two beautiful mounds.

She dropped the top and began caressing them in broad circles, winding down to her nipples, which she pinched and they immediately hardened. I came over and caressed one of them. Then I started to play with her nipples, she started to moan. I then bent down and started to suck on them and this really set her off. She then slipped her hand between her legs. As I continued with her breasts, she pulled down her bottoms and took my right hand and put it there. I felt no hair, so my fingers went to her pussy and split her lips, searching out her cute little sex button.

I dropped to my knees and let my tongue take advantage of her. She leaned against the sink as I drove my tongue deep inside, she came quickly. Looking up at her, I smiled and she pulled me up and unzipped my shorts and pulled out my cock. She gasped and said I was hung like a horse. I smiled and asked if that was a problem. She said "Let's see," as she took my nine inch rock hard cock into her mouth and began sucking me. I said "If you don't want a big load in your mouth, you had better quit now." But she didn't. I blew my load into her mouth and she drank it down. But she pulled off too soon. I blew two more pulses on her face and boobs, but she just smiled and licked it off.

I pulled her up to the sink and sat her on it. Then, taking my cock in my hand, I guided it inside her wet pussy. She moaned as I slid it in and out and soon felt the next load building. I asked if she wanted this one inside or out. She said it feels to good inside so go ahead, do it. So I did. She moaned as I flooded her with another huge load. After I finished, she knelt back down and licked me clean. She said that very nice and hoped I was able to come back from time to time. "I'd like to do this again," she cooed. I said "Oh, me too."

She went on to say that if I was to come over and saw a red Charger in the driveway, not to come in. That was her boyfriend's. I said no problem. We have gotten together numerous times, both before and after my flower deliveries and plumbing jobs. She's still with her boyfriend and I'm still avoiding the red Charger.

ONLINE HOOK-UP

I'm 42 years old, 5'4" with 36D breasts. But those aren't even my best asset. By far, my big curvy backside is. My name's Laverne. I think I'm attractive because my girlfriends are always complimenting and the boys are always looking at my ass. I'm used to describing myself like this because I've been posting online with guys a lot recently. I'm constantly horny so my online chats are almost always about sex. There was one guy in particular, Elliot, a cute grad student that has my interest piqued. I don't go for guys who are filthy and persistent, but he turned me on and has made me curious. Whenever I was online there he was.

After many months of back and forth, I felt more and more comfortable with him. He was sweet yet aggressive. I broke down and told him where I lived and wouldn't mind meeting him. I even told him I'd answer the door wearing nothing but a towel. This was all a bit risky as we've never met before but I really didn't care. I was really horny because it'd been almost a year since I was fucked last.

So it's Friday night and I'm expecting the door bell to ring any minute. I put on my favorite sexy black thong and high heels and wrapped a big towel around my body just in time. I opened the door but I was stunned at what was in front of me. Elliot looked to be 19 at the most. Before I could say anything, Elliot admits he lied. He is really 25 and a PhD candidate at the uni-

Brandi: Perfect.

40+: So, let's start. I know you are into both guys and girls. Is there a preference?

Brandi: Not really. Sometimes it's whomever the director wants me to fuck. Sometimes I get a say and I decide who I want to fuck.

40+: How do you decide for yourself?

Brandi: It's the mood I wake up in. I may have a dream or I may be thinking of someone. There have even been a few times that a girlfriend has suggested someone.

40+: You also do group scenes. Are they as much fun as they look on the video?

versity. A kind of wunderkind who graduated high school three years early, he explained.

I had to think quick on my feet. How do I know that he's not lying again. After all he lied about his age. So I asked a few questions about the college and he answered them all correctly. I decided that all was fine and it actually seemed more of a challenge than I expected but I was up for it. I closed the door as he took a couple steps into the living room and I dropped my towel. Standing there naked apart from my high heels and sexy black thong. Elliot stepped back to stare, his eyes were wide open.

I could tell he was getting more horny by the second. He stepped towards me and started kissing me all over and squeezing my breasts. His kisses moved down to my large breasts, taking turns to suck each of my now erect nipples

as I felt both of his hands now fondling my ass cheeks. At this point I stopped fighting it, I was becoming moist and was so aroused that I was going to let this happen.

I walked into my living room. I knew he was staring at my big ass cheeks jiggling up and down and I could tell he wanted me so bad. Before I could even turn around, Elliot gently pushed me faced down onto my sofa. I felt his hands squeezing my butt as he gave out a moan as he buried his nose deep between my ass cheeks, I sensed he was loving this. I felt both his hands pull my butt cheeks apart and something warm entered my ass hole. It was his tongue and it felt amazing, circling my ass hole as two of his fingers entered my wet pussy from behind. I felt

the sensation building when Elliot picked up the pace and fingered me faster. I screamed during an absolutely amazing orgasm, my legs were shaking and my body tingled all over. I glanced behind me and could see his face was still buried there.

Elliot stood up next to me, both of us completely naked. I glanced down. His cock was surprisingly large. I said as I got down on my knees for a closer look. I squeezed my huge breasts around his cock and he started thrusting back and forth. I lowered my breasts and rubbed his cock against my lips, then took all eight inches down my throat. Suddenly, he jolted and fed me waves of warm love juice into my throat.

I now wanted his cock inside me, so I mounted him slowly as his still erect cock slid inside me. Slowly I began to rise and fall as his hands grabbed my big ass cheeks moving me up and down faster feeling my love muscles clenching tightly against his cock each time. I felt him swelling again and pulled him out to take his explosion on my boobs. He buried his cock between them to finish and I took the full load.

Elliot put his clothes back on. He extended a hand and I took it, standing up. He gave me a big hug and kiss as I reached down his pants and grabbed his cock. I pulled it out and started sucking it. He decided to stay a little longer.

—Laverne, OH

Brandi: Oh yeah, they're a lot of fun. I really like the all-girl orgies. There's an energy that just isn't there with guys. In a group scene with guys, it's more choreographed, because of the camera placements and the guys have to be in certain positions. Either way, I just love the sex. In one all-girl scene, we all worked up a huge sweat. We had been going at it for over an hour non-stop. Fun, fun!

Yoga is quite the workout. Stretching the body into positions it's probably never been before, it becomes a way of life for some. But then sex is quite the workout, too. Fortunately, stretching tongues into pussies is also a way of life.

**JAYDEN
JAMES**

Welcome to my world, sex lovers. I'm about to do what I love best, at least for now. After I'm done with all this, I hope to apply myself as a vet and help animals. In the meantime, there's a male animal right over there with a hard-on that needs attention.

I just moved to a new neighborhood, and I hear the gossip about me being a MILF. I take that as a compliment, but I try not to flaunt it too much. Until the other day, that is. I have one hot neighbor that I'm going to invite in. But I'm going to try to keep my boobs under control. I wouldn't want him to get the wrong message.

I love foreplay because it gets me really wet. I get myself ready by sticking my fingers into my pussy to prime the hole. When I feel it's ready, I'll have him lick me and get me even hotter. Then he'll guide his hard cock into it. I can't wait for him to fill me with his hard cock.

I love to have sex because sex is a great workout. That's what foreplay is all about. It's kinda like the warm-up before the game. Especially working out on a a huge cock. It strengthens my arm muscles and my mouth muscles. And for the guy, if it gets worked on a lot, it gets bigger and bigger, and harder and harder. So tell me guys, do you like foreplay? Do you need someone to warm up with?

sweet sex en suite

this month I'm in Chicago for a medical appliances convention, staying at a huge hotel on Michigan Avenue. As head of manufacturing for Medicare applications, I have a nicely appointed suite. Nice big bedroom, huge bathroom with jets in the tub, a two-head shower, and a small kitchenette off the living area. But my favorite area is the wet bar. Stocked with all sorts of liquors, I pour myself and her a drink to wind down after a long day. She, Brenda, is one of the models that demonstrates our products, and she does it very, very well.

She walks over to the bar and gets a maraschino cherry for her drink that I had forgotten. I step up behind her 5' 6" frame and start to work out some of the kinks in her back. She let out a small sigh and comment on how good it feels. We start some small talk about the day's events—who's going to close the deal with one of our major clients. After a few minutes her head tilts to one side, her long, hair brushes clear of her shoulder. I lean down and start to kiss and nibble at the base of her neck. She moans a little and smiles and leans back into me, enjoying my attentions. I stop the back massage and wrap her in my arms, left hand across her abdomen, right, across the top of her breasts. She moans lightly as she grinds her ass into my crotch.

Brenda raises and lowers her ass against me. I cup and slightly lift her ample boobs. She's not wearing a bra and my thumbs flicks across her pert nipples. I pinch her nipples, rewarding me with a gasp of pleasure. My left hand slowly slides down her flat stomach, stopping at her crotch. I can feel how wet she is through her slacks. I rub her pussy through them while my

right hand slips under her blouse and continues to play with her nipples. We continue like this for some time as I play at her neck, boobs and pussy. Brenda continues to grind into me as I work at her zipper. I undo her slacks and pull them down with her panties as I kneel behind her.

She steps out of all her clothes and I throw them over to the sofa. I bite an ass cheek and then

kiss and lick the spot I just bit. I spread her ass cheeks and lick her beautiful brown pucker. A low slow moan from her proves my attentions hit the spot. All pretense of resisting my affection fades and she spread her legs wider and bends forward at the waist, giving me perfect view of her lovely ass star. It quivers, quakes, and throbs as I suck, lick and probe it with my tongue. My left hand reaches around her thigh and my fingertips get drenched as they slide up and down her pussy lips, probing and pressing. My index finger finds her clit and I begin to tease her by just barely touching it. She moves her hips forward to meet my finger but realized that I stopped licking her ass when she do.

Soon she starts to maneuver, trying to find a way to get both pussy and ass pleased. I keep my fingers hovering, just barely touching her. I can see the juices dripping from her crotch,

She lays back and spreads her legs, lifting them to my shoulders as I position myself in front of her beautifully naked, sweaty body.

the smell is marvelous. She turns around and leans back on the counter and hikes a leg over my shoulder. I start by kissing the outside of the pleasure zone, slowly licking and kissing down one side and up the other.

Then my tongue flits across her pussy lips, giving me the first sweet taste of her juice. Slow moans escape her full lips as she digs her nails into the back of my head, trying to force me where she wants me to be, but I'll have none of that. My tongue is flat as I slowly lick her slit from its lowest point almost to the top stopping just before her clit. Long slow laps, over and over, poking and prodding, separating her lips, now and again licking a little deeper, to get to the velvet of her pussy. But I largely leave her clit alone. I flick it with my tongue now and again just to show her I know where it is. Each time I do I'm rewarded with a sharp intake of breath. While I'm licking her, my right hand is busy with her asshole. I get my fingers slick with her pussy juice and slowly run little circles around her tight rosebud. I apply just enough pressure to suggest penetration but not quite enough to let it happen. Not yet.

By now, her hips are bucking, eyes closed, one hand entangled in my hair. I sense she can't

take any more of this so I slowly push a finger in her ass at the same time I inch my index and ring finger into her hot pussy. In her pussy I easily find her G-spot and begin to massage it while I finely give her clit the attention she's been craving, sucking and licking and flicking it. The finger in her ass slowly pulses in and out of her. It's not long before all this sends her over the edge. Her knees begin to buckle as a mind numbing, body wracking, orgasm surges through her like a lightning bolt. Brenda cries as her orgasm produces gallons of sweet nectar. I drink it all. She almost crumbles to the floor, nearly spent. I catch her, and slowly stand her up.

I kiss her full on the mouth, my face sticky with her pussy juice. I lift her and carry her over to the huge coffee table in the seating area, her body still twitching from her orgasm. I put her down and grab a large pillow from the sofa and put it down on the coffee table. She lays back and spreads her legs, lifting them to my shoulders as I position myself in front of her beautifully naked, sweaty body.

Her lips are quite moist and as I lower my gaze, I can see the muscles between her pussy and ass twitch with anticipation. I take my cock

in my hand and rub its length up and down her pussy. I slowly, slowly, slide my cock into her waiting pussy. She grabs my hips and tries to get all of me into her faster. I penetrate her deep, up to the base of my cock. I can feel her pussy dripping on my balls. The table is still a bit low so I grab her hips lifting them off the table. I go long and slow the first few strokes. Then, making sure I'm fully coated with her juices and without warning I start to slam my cock in to her. I grunt and growl like

close to cumming. Her mouth feels too perfect as I grab thick handfuls of hair as she lets me fuck her throat. Just as I release my long ropes of cum into her hot mouth, she forces two fingers she'd been lubing with her pussy juice into my ass. The sensation is unimaginable! I cum so hard it almost hurts as load after load of jizz gushes down her throat.

She milks my cock of every last drop, pump-

Slowly I let her down and she drops down onto her knees before me and sucks my cock into her mouth, massaging my balls at the same time.

an animal as I use my arms and hips to fuck her with as much force as I can. She squeezes her boobs and pinches her nipples. She moans in time with my thrusts and grunts.

Brenda reaches for me, trying to sit up in the process. I grab her arms and pull her to me. She wraps her legs around me as I lift her from the table. I pump her up and down onto my cock as I stand in the middle of room. I can feel her nails digging into my back as another orgasm surges through her. I let her rest a bit, clinging to me, panting and out of breath. Slowly I let her down and she drops down onto her knees before me and sucks my cock into her mouth, massaging my balls at the same time.

Her mouth engulfs my cock head and I'm too

ing it with her hands as she sucks out everything she can. Brenda smiles and stands up in front of me, wiping cum off her chin with her fingers. She sucks her fingers clean right in front of me and gives me a deep tongue-filled kiss. We stand there, holding one another for a bit, softly kissing each other in the middle of the suite.

I lift her in my arms again and carry her into the bedroom. I nuzzle my nose between her breasts, taking in the smell of her sex, and she's playing with my cock and balls while cooing and making soft sexy noises. We get into the bed and fall asleep quickly. My cell phone rings an hour later. It's my wife. She asks about my day and I tell her quietly and then tell her I'll call her tomorrow. She says she can't wait to see me.

I started wanting to be a sex toy a few months ago. I originally wanted to do about eight to ten positions from the Kama Sutra but my hubby talked me out of it. A month later we split and I regretted not having done them all. Now I do them in real life.
